

Academy of Musical Theatre

## Next session starts August 10<sup>th</sup>!

Eight Week Session: August 10 – October 3.

All students are required to pay a \$25 annual registration fee. Reminder - Some students are due to renew their registration fee! Students will receive a Biz tee shirt with registration. Second year registrants have a choice of a tee shirt **or** a bag. This fee will be waived with the registration and payment of TWO classes in one session. All classes need a minimum of four students. Family Discounts: 25% off the class fees for a second child in the same family; 50% off class fees for the third child in the same family. Age ranges are strong suggestions. We can be reasonably flexible. Some 5 year olds are mature enough to handle the 6-10 year old classes and some are not. You, the parent, are the best judge!
